To Whom It May Concern:

We are writing this letter of recommendation on behalf of Rob Best, Senior Engineer. Mr. Best has assisted us through both design and construction services, specifically with regards to the Revitalize Water & Wastewater Systems Phase 5 project. He provided us with accurate, well thought-out designs of the components of both the water and wastewater systems.

We hereby attest to his beyond satisfactory performance of his duties as part of the design team for the Revitalize Water & Wastewater Systems Phase 5 project. We would highly recommend utilization of Mr. Best on future projects of similar complexity. Mr. Best demonstrates an exceptional level of technical expertise, commitment, efficiency, and responsiveness.

Sincerely,
